Once a competitor’s catch is presented to a tournament official, that contestant may not return to his boat until his catch has been measured, counted, weighed and recorded.
- Bass must not be strung at any time during the tournament. It has been determined that stringing decreases the chances of a bass’s survival, and bass thus handled may be disqualified.

- After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in.

- It shall be the responsibility of each partner to appear at a mutually agreed upon location with sufficient time remaining to checkout at the official checkpoint and start on time.

- Tournament officials shall have no responsibility for finding missing partners. It is suggested that a minimum of thirty (30) minutes is required for preparation to depart to the checkout point.

- When two contestants check-out at the beginning of the day, they must stay together and within sight of each other and each other's catch throughout the day until the weigh-in is completed except in case of dire emergency (See Rule 12.)

- A contestant must not allow any bass caught by him to be counted on the score of another contestant. In such a case, both contestants shall be disqualified from this tournament and all other UTBFN events in the future.

- No boats will be sent out with only one (1) competitor or with three (3) competitors unless absolutely necessary because of breakdowns or uneven pairings

This is at the Tournament Directors discretion after all alternate options have been reviewed. Entry Fees may be refunded or prorated depending on number of days remaining in the event.

- In the event that a tournament participant must leave/depart from the tournament prior to the conclusion, express permission shall be obtained from the Tournament Director or a Tournament Official, and this is to ensure that the remaining contestants or tournament field remains balanced. - A person shall not attempt to qualify for 2 different B.A.S.S. Federation Nation State Teams. (Example: You cannot compete to make the Wyoming BFN State Team and the UTBFN State Team. If a person competes in any other States BFN State Team qualifier prior to the UTBFN State Team qualifier and accrues points or credits towards making that states respective state team then they are automatically ineligible for the UTBFN State Team. You may fish another states event for money only).
- If a contestant is disqualified for a rules violation their entry fee and option pot fee's will not be refunded.
- It is the contestant's responsibility to attend the post tournament awards ceremony, all disputes in regards to standings and cash awards including option pots shall be brought up at this time. Upon conclusion of the awards ceremony all decisions in regards to cash awards and option pot payouts are final. The Tournament Committee (Tournament Director, President, Vice President and Treasurer) reserve the right to adjust the UTBFN State Team and standings only if there is an error; we will not recoup or repay any monetary differences after the conclusion of the post tournament awards ceremony. It is highly recommended that you keep each tournament day's weight slip to help resolve any misunderstandings.

Great effort, study and research have gone into the formulation of these rules. Interpretation and enforcement of these rules shall be left exclusively to Tournament Officials. In the event of a rule violation, the Tournament Director and officials may impose such sanctions as they deem appropriate, including, without limitation, disqualification, forfeiture of prizes and prohibited from participation in subsequent UTBFN tournaments. The decision of the Tournament Director and officials shall be final in all matters. If you have questions on any of the above stated rules it is your responsibility to get clarification prior to the start of the tournament.
